World's 1st EPA DfE Approved Carpet Protector

Tri-Plex Green Guard Carpet Protector & Go Clean Line Certified Green

Freeburg, IL — August 17, 2009 — Today **Tri-Plex Technical Services, Ltd.**

announced that **Green Guard** is the 1st Carpet Protector to be certified by the EPA Design for the Environment Program. **Green Guard** is a cutting edge encapsulation product that contains anti-stain, anti-soiling properties that neutralize alkalinity residues and limits wicking and prevents browning or yellowing.

Kevin T. from CA, "I just have a word..."WOW" it really did an impressive job on a restaurant account that I have. They have had problems with the carpets re-soiling in 2-3 days after having them cleaned. Well it's now been a month and the carpets still look clean and the owner is very pleased."

Go Clean Product Line Certified Green

In addition to **Green Guard**, **Tri-Plex** has also received EPA DfE Approval for its **Go Clean** Product Line. This product line includes **Carpet/Upholstery Cleaner** which can be used as a **Pre-Spray, Extraction, Bonnet or Low Moisture Cleaner**. **Hard Surface Cleaner** is effective as a daily maintenance cleaner for mopping and/or use in auto scrubbers on porcelain and ceramic tile, Vct, Concrete, wood and other hard surfaces. May also be used in/or with a pressure rotating cleaning systems. Finally, our **Go Clean Rinse & 2X Rinse** when used on carpets, fabrics and hard surfaces is designed to neutralize alkalinity and help rinse away cleaning solutions, leaving behind a cleaner, brighter surface. It also provides anti-stain, anti-soiling and anti-wicking features to the carpet.

Our **Go Clean & Green Guard** Product Line is formulated with our Earth and its inhabitants in mind. These products are fragrance free, biodegradable, phosphate free and contain no VOC's. This practice leads to a more positive environmental profile than standard cleaning products.

Founded in 1986, Tri-Plex Technical Services offers environmentally sensitive formulas in a cost effective way to suit your diverse needs. We are committed to offer Non-toxic, Skin Friendly products that contain no dyes. Each Tri-Plex product is formulated to provide exceptional performance and maximum durability while meeting the demands of high traffic, commercial, institutional and residential interiors & exteriors. Our proven formulas help carpet, fabric and stone to "**Stay Cleaner Longer**". Let us show you how to save without sacrificing quality!

#####

EPA/DfE recognition does not constitute endorsement of this product. The Design for the Environment logo signifies that the formula for this product, as Tri-Plex has represented it to the EPA, contains ingredients with more positive health and environmental characteristics than conventional cleaners. EPA/DfE relies solely on Tri-Plex, its integrity and good faith, for information on the composition, ingredients, and attributes of this product. EPA/DfE has not independently identified, i.e., via chemical analysis, the ingredients in the product formula, nor evaluated any of Tri-Plex's non-ingredient claims. EPA/DfE expresses its judgment and professional opinion only as to the environmental and human health characteristics of the product, based on currently available information and scientific understanding.
